Description:

Rustic finca with a large two-storey stone house to renovate. The plot has 16.964m². The building consists of 220m² of housing plus 220m² of storage. The constructions date from before 1956. As it is in an elevated area it has excellent views from different sides. On the land there are several old constructions and a large covered garage. The land is perfect for cultivation. Possibility of well water and electricity. The house was divided in two parts by inheritance. Only one part is for sale.
